Sound Kidneys Insure Good HEALTH.

Mr. John H. Cerlies, Secretary of the Conneil Bluffs, Ia., Athletic Association, was cured of kidney trouble by Peruna, He says:

"I am a firm believer in Peruna. For three years I suffered with severe trouble of the kidneys and other pelvic organs, trying several remedies without relief. I used Peruna faithfully for fourteen weeks and am am glad to say it relieved me entirely of all pains.

Miss Low's Luncheon.

Miss Whitelock was also the guest of honor at a luncheon given by Miss Vera Low Monday afternoon at her home on Fillmore street. The luncheon was an elaborate affair served in five courses at 1:30. In the center of the table was a mirror which reflected a tall Venetian glass vase of feathery pink blossoms, supplemented with pink carnations. The rooms were all decorated with cut flowers and foliage for the occasion.

Besides the guest of honor those present were Miss Libbie Hazlett of Chicago, Miss Lottle Page of Denver, Miss Winifred Wagner, Miss Edna Crane, Miss Myrtle Davis and Miss Ivah Davis.

Notes and Personal Mention. Hon. D. L. Jayeox, Chaplain of the Grand Army of the Republic, writes from 865 Broadway, Oakland, Cala .: "I am an old war veteran. I contracted severe bindder and klidney trouble, spent hundreds of dollars and consulted a host of doctors, but neither

did me any good. "Finally some of my comrades who had been cured by Peruna, advised me to try it. I at once bought a bottle and found it helped me so much that

I kept on using it for nearly four months. "Peruna has proven the best medicine I ever used, my pains are gone, and I believe myself to be cured. I feel well and would not be without a bottle in time of need for ten times its cost.

The kidneys are the natural gateway out of which much of the waste tissue finds its escape. This waste matter becomes a very poisonous substance if allowed to accumulate. The renal arrory brings the blood charged with impurities to the kidneys.

If the kidneys are healthy they will excrete the paison from the blood. The renal velus return the purified blood from the kidneys to the general circulation.

Peruna stimulates the kidneys to except the same of the catarrhal diseases peculiar to summer.

SOCIAL AND PERSONAL. One of the charming affairs given for Miss Lillian Whitelock and Mr. Frank Davis was a 9 o'clock supper Monday evening. It was given by Misses Myrtle and Ivah Davis who have an enviable reputation as hostess. The decorations through the rooms consisted entirely of brilliant bused nasturtiums, while the color scheme in the dining room was carried out in pink. At either end of the table was a candelabrum holding pink candles; the center piece was pink roses and sweet peas. A low cut glass dish was filled with pink sweet peas and rising from the center was a high cut glass vase of pink roses. The name cards were beautiful little souvenirs in the shape of copies of Gibson's pictures done in pen and ink by Miss Georgiana Wasson. The guests were limited to the members of the bridal party.

ONE WAY

To do a Clothing business is to advertise early in the season a great display of \$20.00 suits special for opening week at \$15.00, including the famous H. S. & M. Suits made by Hart, Shaffner & Marx, and Cane, McCaffrey's Little Captain Suits, call them \$5.00 values special for \$2.95, and all the popular brands of \$1.00 Shirts the world over, advertised as \$1.50 values reduced to 99 cents. That's the usual method of booming the clothing business twelve months in the year.

ANOTHER WAY

To do a Clothing business is to take those same H. S. & M. Suits early in the season, all the fancy checks and stripes, also Blue Serges and Black Clays, and hang \$10 tags on them. That makes one of The Imperial \$10 Suits for \$10, worth \$10 - see the argument? Then take the Little Captain suits and sell them every day for \$2.75, and sell \$1.00 shirts for \$1.00, instead of calling them \$1.50 Zephyrs, Cyclones, Botanies, Astronomies or Zoologies special for 99c.
